The Law Enforcement Torch Run (LETR) is a year-round fundraiser and spreads awareness of Special Olympics in the community. Every branch of state, municipal, county and federal Law Enforcement and friends of law enforcement are invited to participate in the LETR. All income generated from LETR fundraising events is used to cover 100 percent of expenses associated with new athletes and new Local Programs getting involved with Special Olympics New Hampshire. For athletes and officers alike, the Law Enforcement Torch Run for Special

Olympics is a story of success, love, respect and commitment between law enforcement officers and Special Olympics athletes.
