The Central Area Summer Games includes competition in athletics and bocce. Competition at an Area Games is required for an athlete to compete at the State Summer Games in athletics. The goal of Area Games is to provide our athletes with a quality competitive experience while obtaining accurate preliminary scores to use at the State Summer Games.

Please take a moment to review the Rules of each sport to have a better understanding of the sports.

To register for the Central Area Summer Games, you will use Agon. Please make sure you are familiar with the timeline below.

FINAL INFORMATION

Thursday, May 4th

ATHLETE'S PARTICIPATION IN NON-PRIMARY LOCAL PROGRAMS

An athlete may be associated with up to three Local Programs. Every athlete has one primary Local Program. The primary Local Program is fiscally responsible for their athletes and is the program that an athlete competes with most often. In Agon you will be able to see if an athlete is primary with your LP. If an athlete participates with their Secondary or Tertiary Program, the Primary Program will ultimately be assessed the athlete's participation as outlined below.

1. The athlete must let his/her LPC know they would like to participate in another sport or with another Local Program and which Local Program they are interested in joining.
 - If the Primary Local Program offers the sport, the LPC should work with the athlete to determine why the athlete would like to participate with another Program and decide if they will approve participation by signing the top section of the Transfer Form. Athletes should be empowered to choose where to participate.
2. The athlete needs to ask the LPC of the team he/she would like to participate with (either the Secondary or Tertiary program).
 - If the LPC of the "participating team" does not have the infrastructure (enough volunteers to make a safe environment), they may say "no" to the athlete.
 - If the secondary LPC says yes, s/he will need to fill out and sign the middle section of the *Transfer Form* (Non-Primary Participation Form) including the amount of money that will need to be transferred to cover that year's participation costs (including but not limited to any facility fees, equipment or uniform fees, or paid lessons associated with the sport) and any expectations as a result of the athlete's participation.
 - The participating LP may register an athlete they think will be participating with them – but if the *Transfer Form* is not completed by the scratch date, the athlete will be scratched.
3. The athlete needs to get the *Transfer Form* back to their primary LPC who will sign off on the final section of the form, agreeing that they understand how much will be transferred from the Primary Program's Net Funds for the year and the expectations of the athlete, and then submits to SONH for processing.
 - The LPC of the athlete's Primary Local Program will submit the form to our office, and we will make the transfer between Local Programs and ensure that the athlete is listed in the non-primary program's intent.

Please note that while the assessments will be processed yearly based on registration after the Transfer form has been processed the first time, the Transfer form will still need to be completed annually for the associated fees with participating in the sport with the Secondary or Tertiary Local Program.
