Value In-Kind Form

Date: _____

Tracking in-kind contributions is very important as it reflects donations that we would otherwise have to pay for. Please take a couple of minutes to fill out the **Value In-Kind Form** and send it to Emily Kunelius at EmilyK@sonh.org. SONH will thank all donors if we have an address.

Value In-Kind (VIK) are goods or services provided to SONH at no cost or at discounted rate. For a donation to be considered VIK it must be either value added or budget relieving.

- ☐ A value-added VIK means that, although SONH would not purchase the item without the donation, it will make our event better. Home Depot, for example, donates bird house for our athletes to assemble at our State Summer Games. This donation is a value-added VIK.
- ☐ A budget relieving VIK means that SONH will not need to purchase a budgeted item because of the donation. If a facility waives or discounts their rental fee, that is an in-kind donation.
