

PARTNERSHIP OPPORTUNITIES

SEPTEMBER 9TH AT 3:30PM

NORTHEAST DELTA DENTAL STADIUM

SPECIAL OLYMPICS NEW HAMPSHIRE

The transformative power of sports to instill confidence, improve health and inspire a sense of competition is at the core of what Special Olympics does. From the detailed coaching guides to the sharp-eyed officials at our games, the focus is on real sports, real competition and real achievements.

In Special Olympics, the power and joy of sports shifts focus to what our athletes CAN do, not what they can't. Attention to disabilities fades away. Instead, we see our athletes' talents and abilities and applaud them for it. And they are doing a lot — from basketball to powerlifting to sprint triathlon. With our 17 Olympic-style sports, we offer adults and children with intellectual disabilities many ways to be involved in their communities and to show who they really are.

THE HERO'S CUP

Law enforcement and fire & rescue personnel try out and agree to raise funds to participate in the Hero's Cup.

The Bravest (Team Fire) and The Finest (Team Police) will practice for a few months leading up to the big game on September 9th.

Families, friends and fans from across the state will join our athletes, coaches and volunteers as we all cheer on our favorite heroes. Game day will include lots of fun, games and friendly competition.

Our goal is to raise \$180,000 through the Hero's Cup. All proceeds from the Hero's Cup will support Special Olympics New Hampshire!
