

2026 Mini-Meet Application

As we adjust our statewide competition schedule in 2026, we are offering Local Programs the opportunity to host Mini-Meets to help ensure athletes continue to have meaningful and dependable competitive experiences. Mini-Meets are intended to provide smaller-scale competitions during this transitional year as we evaluate and refine our broader competition structure.

Local Programs may organize and host a Mini-Meet for their athletes and are encouraged to collaborate by inviting other programs or schools to participate. We appreciate your partnership and flexibility as we work together to strengthen the quality and consistency of competition opportunities across the state.

The criteria for Mini-Meets are outlined below. All Mini-Meets must be approved through this application process.
