CORNHOLE RULES

RULES

- Each game shall be played to 21 points or 20 minutes, whichever comes first. A team does not need to win by two or more points.
- Each team will throw four bags per half-inning, alternating throws between teams.
- Players must use the bags provided during play.
- Players must remain behind the foul line when releasing a bag. A throw made after stepping on or across the foul line is considered a foul and scores zero points.

SCORING

2. **Bag In-The-Hole** – Any bag which is thrown through the hole or knocked through the hole by another bag. Each is worth three (3) points.
3. **Foul Bag** – Refers to any bag that has not been determined as Bag In-the-Court or Bag-In-the-Hole or was designated a foul bag as a result of a rules violation. It has no (0) value.
4. **Point scoring** – Each half inning, the total number of points scored by each team will be added to their total scores. Points will not cancel and both teams may earn points each half inning.
